

Declaration of Independence

Friday November 13, 2026

1:00PM

The Historical Society of West Windsor board members (Josh Mandell and Tom Burnet) will discuss the Declaration of Independence — the precipitating events in the months leading up to July 4th, the formation of the Committee of the Five, the drafting and editing process, the structure of the final document, the initial reception by England and the colonists, as well as assorted myths and legends surrounding the nation's most sacred text. Plus, there will be a quiz!
