

# **How Oswald Veblen Quietly Created Einsteins Princeton Lecture**

**Friday March 20, 2026**

**1:00PM**

**Without the great mathematician and visionary, Oswald Veblen, Princeton would have no Institute for Advanced Study, no Institute Woods, no Old Fine Hall, no Herrontown Woods, and no Einstein. Join us as we invite Steve Hiltner who will present new research on the behind the scenes influence that Veblen, and later Einstein, had on the trajectory of Princeton and the Institute for Advanced Study.**
